PUBLIC INSTRUCTION

A. C. NELSON,  
STATE SUPERINTENDENT

SALT LAKE CITY, UTAH, June 7, 1904.

Mr. F. W. Crockett,  
Vice-President, Board of Education,  
Logan, Utah.

Dear Sir:-

President Kerr of the Agricultural College informs me that he is charged with having informed me of city superintendent James Langton's mis-conduct and with recommending to me the revocation of Mr. Langton's certificate. In justice to President Kerr and to yourself, I have informed him that no such an intimation has ever been made by him, and that I would inform the parties concerned that he has told me nothing at all of Mr. Langton's trouble.

I have informed President Kerr that while in conversation with yourself in regard to the alleged mis-conduct of Mr. Langton, I suggested the dismissal of Mr. Langton if he were guilty, and that I offered the suggestion that there were two ways in which his dismissal could be brought about. I said that the State Board of Education could revoke his certificate if charges were properly preferred and sustained. The other alternative, of course, was in the power of the Logan School Board.

I am sorry that this unpleasantness has come to us, and to relieve you of any censure in regard to the revocation of Mr. Langton's certificate, I feel it only just to give you this explanation that no misunderstanding may influence our friendship.

Very truly yours,

State Supt. of Public Instruction.
